WHY SUBSCRIBE TO UNLOCK MULTI ?

Unlock Multi is a bespoke credit insurance solution offering protection for your commercial and political risks of your strategic customers.

The way the policy works:

- ◆ You supply a list of your strategic customers and together we identify your needs.
- ◆ We offer you a personalised solution, with the flexibility of non cancellable credit limits (<12m duration).
- ◆ In the event of insolvency or non payment of your customer, we will indemnify you up to the level of your insured loss.

Unleash your potential !

With the comfort of being insured, you can concentrate on the secure growth of your business.

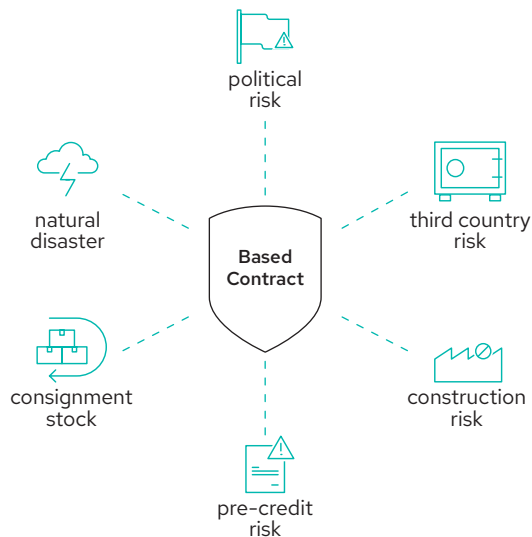

THE BENEFITS OF THE POLICY

A personalised cover

For your domestic or international business, for a short or a longer period (until 12 months), we only cover the risk you need to insure.

A wide range of risks covered

Including Pre-Credit risk, Political risk, construction risk & natural disasters...

A clear commitment

Our products are clear and simple expressing what you are covered for in an easily accessible wording, with transparent pricing based on the size and quality of the coverage...

Certainty of cover

Thanks to our non cancellable commitment <12m, you can be certain of your coverage regardless of the financial situation of your client.

Accessibility and responsiveness

We provide you a digital platform to manage your exposures on a daily basis where you will be updated on any changes in the financial health of your key customers.
