UNLOCK BOOST

Increase your cover and secure your growth with Cartan Trade automatic top up.

The easy solution to boost your sales and secure your customer receivables.

With **UNLOCK BOOST**, Cartan Trade automatically provides you additional covers based on your existing credit insurance covers, up to **5 million euros**, effortlessly.

WHO IS UNLOCK BOOST FOR?

- ◆ You are already insured with a credit insurer but **not fully covered on your exposures?**
- ◆ You are looking **to strengthen your guarantees** on sensitive buyers without managing several insurance policies?
- ◆ You want **to grow your revenue** without increasing internal risk?
- ◆ You are seeking **enhanced protection** without adding complexity to your processes?

UNLOCK BOOST is made for you !

CONTRACT OPERATION

- ◆ Cartan Trade analyses your portfolio of partially covered clients
- ◆ Your coverage is automatically topped up to match the primary guarantee, up to the requested amount
- ◆ You can receive compensation of up to 5 million euros
- ◆ Contract features are identical to those of your primary insurer

AUTONOMY IN MANAGING YOUR LIMITS

- ◆ Unlock Boost allows you to adjust your coverage without notifying Cartan Trade for amounts up to €1 million for limits below this threshold, and up to €5 million for limits above it
- ◆ Your limits are adjusted in the same proportion as your primary limit in case of reduction or cancellation
- ◆ You must inform Cartan Trade only when your primary limits are cancelled
- ◆ You update your limit portfolio once a year

SIMPLIFIED CLAIM MANAGEMENT

- ◆ You report your claim to Cartan Trade
- ◆ Your primary insurer centralizes the collection of the entire debt
- ◆ Cartan Trade compensates you for the unrecovered losses within 30 days after payment from your primary insurer, on the supplementary portion, after deducting the excess
